SUMMARY

With a background in Bachelor of Computer Applications (BCA), I am currently pursuing a course focusing on advanced topics in web development, including HTML, CSS, JavaScript, and React.js. Equipped with foundational knowledge in computer science and an ongoing commitment to enhancing my skills, I am eager to leverage my education and practical training to contribute effectively in the field of web development.

SKILLS

- HTML/HTML5
- CSS
- Javascript
- Bootstrap
- React Js
- Redux
- Problem Solveing
- Time management

EDUCATION

BACHELOR OF COMPUTER APPLICATION

SSAS Collage Kodinar

2020 - 2022

DIPLOMA IN MECHANICAL

BBTI, Bhavanagar

2013 - 2016

LANGUAGES

Gujarati
Hindi
English

CERTIFICATION

REACT JS DEVELOPER

Tops Technologies

2023-2024

- React, Redux, Advanced JavaScript Expertise
- Seamless Web/API Integration Skills.
- Strong Front-end Foundation Established.

PROJECTS

1. LOG-IN REGISTER MODAL

LInk :-registerloginmodal.netlify.app

- Developed a robust and secure login/register modal component using React.js.
- Implemented a modern login/register modal component in React.js, leveraging local storage for efficient data management.

2. API INTEGRATION

Link :- apicrudwithreactjs.netlify.app

- Integrated APIs seamlessly into web applications, ensuring efficient communication with external data sources and enhancing functionality by fetching and managing data in real-time.

3. To-Do List

Link :- todolistwiththeuseofreactjs.netlify.app

- Developed a dynamic To-Do list feature in React.js, enabling users to manage tasks effectively with features such as adding, editing, and deleting tasks.
- Optimizing user experience and productivity through features like update functionality and task prioritization.
